

An Upgraded Nexis Uni® is Coming to Academic Researchers

Improving Research Projects
Across Global Campuses

What is New with Nexis Uni

NEW LOOK AND FEEL

All of the same great features you loved about Nexis Uni are still here, but wrapped in a new look and feel that has been optimized for corporate and academic research across global industries and institutions.

INSTANT CONTENT SUMMARIZATION

Discover and extract key insights during research effortlessly with instant content summarization. Researchers can now quickly understand the usefulness of long, complex content pieces for projects without reading through each one.

VISUALIZE SEARCH RESULTS

Nexis Uni now automatically transforms search results into compelling data visualizations like word clouds, graphs, and tables. Enable your researchers to uncover new findings and relationships between data effectively through this automated new research tool.

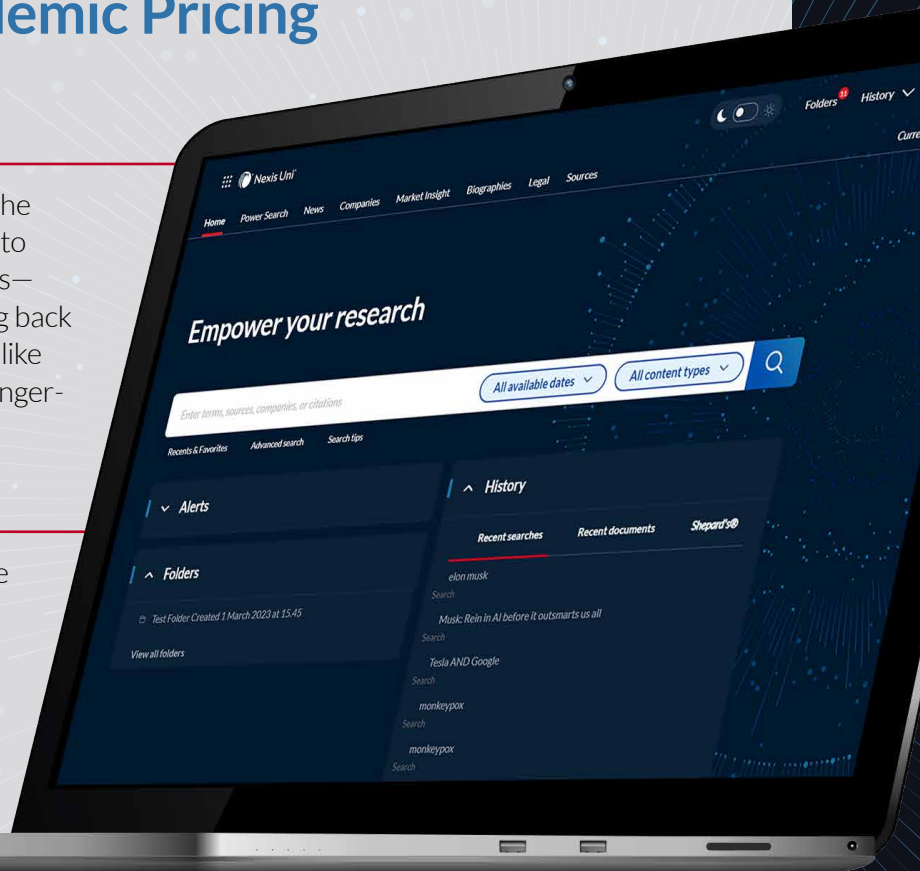

Unchanging Excellence: Keeping the Same Content & Academic Pricing

ACADEMIC-FOCUSED FEATURES AND CONTENT

Academic researchers can continue to enjoy the convenience of one-click citations and access to over 15,000 news, business, and legal sources—including U.S. Supreme Court decisions dating back to 1790—plus exclusive features and content like Nexis Dossier, CSRhub ESG Ratings, and Springer-Nature Academic Journals.

SPECIAL ACADEMIC PRICING

This upgraded version of Nexis Uni is available with the same special Academic pricing, continuing to provide your researchers with the same unrivaled content from LexisNexis for an unbeatable price.

When Is the Upgrade Occurring

EARLY ACCESS PERIOD

Starting in late 2023, all Nexis Uni users will be able to switch between the new and existing Nexis Uni experiences using the Product Switcher tab for early access into the new Nexis Uni before all users are upgraded in 2024.

SEAMLESS UPGRADE IN 2024

All work for moving your campus to the upgraded Nexis Uni experience will be done in the background. Notice will be given before the final upgrade of all users is completed.

Drive Research Breakthroughs: Champion the Nexis Uni Upgrade on Your Campus Today!
