

E-Read Texas Library Implementation

Items with an asterisk are required.

General Information

*Library Name:

*Website URL:

Patron support URL:

Number of active e-resource users:

Average number of monthly e-resource checkouts:

Brief description or tagline:

This will be displayed under your library's name in the list of libraries in the SimplyE app. I've included an example on the last page.

*Patron support email address:

*No-delivery email account:

This is an email account for which email is either immediately deleted or rejected, e.g., no-reply@amigos.org. Messages from e-resource vendors related to holds will be sent to this address. Unfortunately, they cannot be used because they contain help information related only to the vendor's app. They also must be deleted because they can contain potentially sensitive patron-related information. Use "no-reply@amigos.org" if you do not have one.

URL for privacy policy:

URL for copyright issues:

*Primary color:

Choose a primary color that complements their logo. Options include: amber, black, blue, blue gray, brown, cyan, dark orange, dark purple, green, gray, indigo, light blue, orange, pink, purple, red, and teal.

*Logo

Email your logo along with this document. It is best if the logo provided does not include additional text, as the library name will be next to it.

- *Dimensions: 135px x 135px*
- *Format: PNG with transparent background preferred*

Contact Information

*Library Contact

First Name:

Last Name:

Test barcode – blocked account:

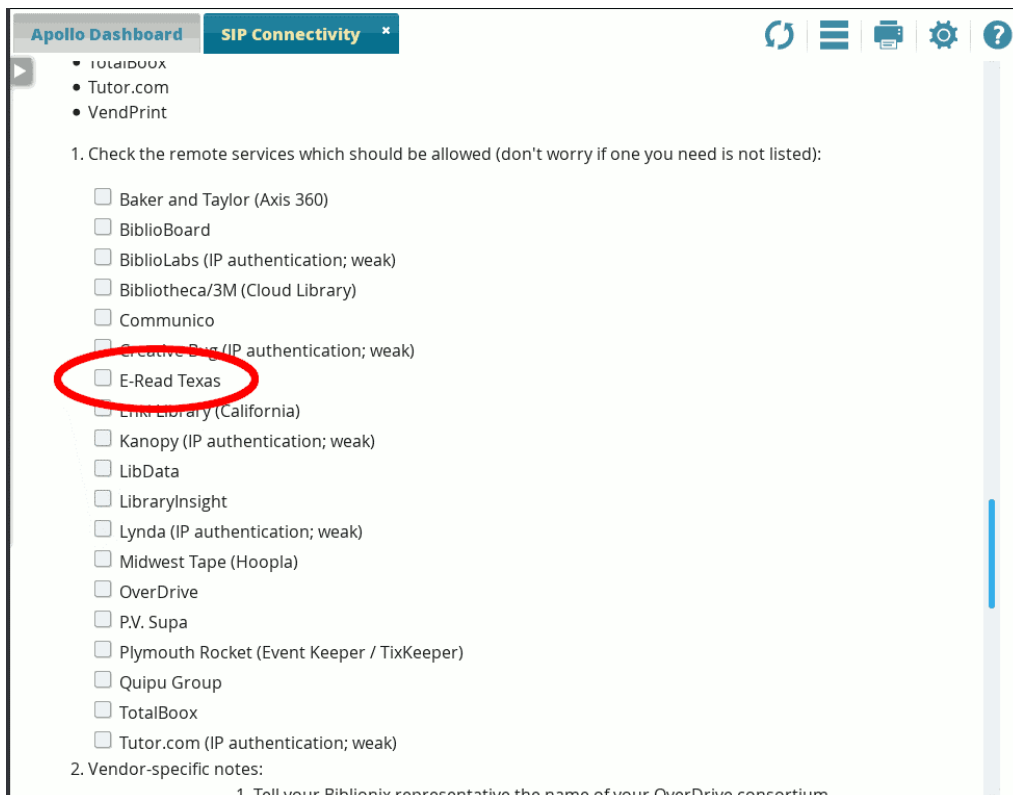

Barcode number:

PIN:

*Enabled “E-Read Texas” in Apollo Yes No

To use E-Read Texas with Biblionix Apollo, it must be enabled in the software. Each library must make the following modification in Apollo:

1. *Go to Settings (new staff interface) or Setup (old staff interface)*
2. *Go to SIP Connectivity*
3. *Check the box for “E-Read Texas”*
4. *Check the "Yes" checkbox above*
