

ICE Publishing 2019 Offer to Amigos Member Libraries

2019 News:

New higher Impact Factors – 19 ICE journals now have Impact Factors including record-high figures for top geotechnical titles *Géotechnique* (IF 2.982) and an impressive first result for *Environmental Geotechnics* (IF 1.200).

Current Engineering Journals Collection + Archive Top Up

Subscribe to ALL 30 current journals from ICE Publishing in one easy-to-order Collection. Know that you will always have the most current journals without the need to subscribe to additional content.

Pick and choose from archives to top up backfile access. **The more journal archives you select, the more you save! The discount increases with each archive when you select 2 or more archives.**

1. Current Engineering Journals Collection: Annual Subscription + Archive Top Up

Content Included:

2019 Subscription e-Price	Journal Title	Coverage
\$12,136	Advances in Cement Research	2003-current
	Dams and Reservoirs	2008-current
	Environmental Geotechnics	2014 -current
	Geosynthetics International	2003-current
	Géotechnique	2003-current
	Géotechnique Letters	2011- current
	Infrastructure Asset Management	2014 - current
	International Journal of Physical Modelling in Geotechnics	2003- current
	Journal of Environmental Engineering and Science	2013 - current
	Magazine of Concrete Research	2003- current
	Proceedings of the ICE - Bridge Engineering	2003- current
	Proceedings of the ICE - Civil Engineering	2003- current
	Proceedings of the ICE - Construction Materials	2006- current
	Proceedings of the ICE - Energy	2007- current
	Proceedings of the ICE - Engineering and Computational Mechanics	2008- current
	Proceedings of the ICE - Engineering History and Heritage	2009- current
	Proceedings of the ICE - Engineering Sustainability	2003- current
	Proceedings of the ICE - Forensic Engineering	2011- current

*Gold OA	Proceedings of the ICE - Geotechnical Engineering	2003- current
	Proceedings of the ICE - Ground Improvement	2003- current
	Proceedings of the ICE - Management, Procurement and Law	2007- current
	Proceedings of the ICE - Maritime Engineering	2004- current
	Proceedings of the ICE – Smart Infrastructure and Construction	2017-current
	Proceedings of the ICE - Municipal Engineer	2003- current
	Proceedings of the ICE - Structures and Buildings	2003- current
	Proceedings of the ICE - Transport	2003- current
	Proceedings of the ICE - Urban Design and Planning	2008- current
	Proceedings of the ICE - Waste and Resource Management	2006- current
	Proceedings of the ICE - Water Management	2004-current
	Geotechnical Research*	2014-current

Pick & Choose Journal Archive Top Up		
2019 Purchase e-Price	Journal Archive Title	Coverage
\$4,294	Magazine of Concrete Research	1949-2002
\$8177	Geotechnique	1948-2002
\$28,186	Specialist Engineering Journals (16 ICE Proceedings titles)	1836-2002
\$508	Advances in Cement Research	1987-2002
\$349	Civil Engineering Innovation	2007-2009
\$421	Structural Concrete	2000-2010
\$349	Geosynthetics International Archive	1994 - 2010

Complete Archive + Current Journal Top Up

Purchase ALL journal archives from ICE Publishing in one easy-to-order Collection. Know that you have perpetual rights to all the archive without the need to pay any ongoing access fee.

Pick and choose from discipline specific journals to top up with current content. **The more journal discipline topics you select, the more you save! The discount increases with each journal discipline topic when you choose 2 or more.**

2. Complete Archive + Journal Top Up

Content Included:

2019 Purchase e-Price	Complete Archive	Coverage
\$31,750	Geotechnique	1948-2002
	Magazine of Concrete Research	1949-2002
	Specialist Archive	1836-2002
	Advances in Cement Research	1987-2002
	Civil Engineering Innovation	2007-2009
	Structural Concrete	2000-2010
	Geosynthetics International Archive	1994 - 2010
Pick & Choose Journal Top Up		
2019 Subscription e- Price	Journal Title	Coverage
\$1045	Advances in Cement Research	2003-current
\$578	Dams and Reservoirs	2008-current
\$827	Environmental Geotechnics	2014 -current
\$1218	Geosynthetics International	2003-current
\$1155	Géotechnique	2003-current
\$930	Géotechnique Letters	2011- current
\$626	Infrastructure Asset Management	2014 - current
\$688	International Journal of Physical Modelling in Geotechnics	2003- current
\$1194	Journal of Environmental Engineering and Science	2013 - current
\$1531	Magazine of Concrete Research	2003- current

Complete Archive + Complete E-Book

Purchase ALL archives and e-books titles available up to and including 2019 from ICE Publishing in one easy-to-order Collection. Know that you have perpetual rights to over 1500 titles and 167 years of journals with not DRM or ongoing access fee.

Save big when you purchase both the Complete Archive Collection and the Complete E-Book Collection. Contact [Amigos](#) for discount information.

3. Complete Archive + Complete E- book		
2019 Purchase e-Price	Complete Archive	Coverage in collection
\$31,750	Geotechnique	1948-2002
	Magazine of Concrete Research (16 x Proceedings of the ICE)	1949-2002
	Specialist Engineering	1836-2002
	Advances in Cement Research	1987-2002
	Civil Engineering Innovation	2007-2009
	Structural Concrete	2000-2010
	Geosynthetics International Archive	1994 - 2010
	Complete E-Book	Coverage in collection
\$73,342	ICE Publishing offers the definitive Civil Engineering eBook Collection with comprehensive coverage of all major disciplines in the field. The collection includes state-of-the-art reports, industry standards, technical books, conference proceedings, case studies and contract documents. Currently over 1500+ titles and growing	1838-2019

Annual E-Book + Discipline Collections Top Ups

Top up your e-books with annual or discipline specific collections to match your discipline focus. Know that you have perpetual rights with no ongoing access fee.

The more you purchase, the more you save! Discounts available are based on which collections you select below. Contact [Amigos](#) for discount information.

4. Annual E-Book Collection + Discipline Collection Top Up

2019 Purchase e-Price	Pick & Choose Annual E-Book Collection	Titles in collection
\$2111	2019	~27*
\$2364	2018	21
\$2201	2017	20
\$3945	2016	23
\$2103	2015	24
\$1076	2014	9
\$2400	2013	24
	Pick & Choose Discipline Collection	Titles in collection
\$30,465	Conference proceedings	400+
\$12,095	Construction materials	100+
\$10,041	Contracts, finance and law	100+
\$7,743	Energy collection	100+
\$7,906	Engineering history	200+
\$10,367	Environment	100+
\$2,738	Euro Codes	20+
\$16,284	Ground Engineering Collection	200+
\$14,002	Management Collection	200+
\$2,119	NEC Commentaries Collection	20+
\$23,276	Structures and Buildings Collection	300+
\$12,029	Transport Collection	100+
\$15,192	Water and Wastewater Collection	200+

*Number of titles subject to change

Online availability

The content included in both offers is available on ICE's updated content homepage www.icevirtuallibrary.com

The ICE Virtual Library interface will be compliant with the following standards and features:

- IP, Athens, Shibboleth
- COUNTER compliant usage statistics
- Open URL compliant
- Current journal content archived in Portico
- Basic and advanced search functionality
- Library branding offered
- Indexed in all major engineering A&I databases
- Full text journal content available in PDF and HTML (2000 -) formats
- Personalization, saved searches and social bookmarking tools available

Usage Statistics

COUNTER-compliant usage statistics, COUNTER reports, search and popular search statistics are provided online to institution. They are available to display on screen, or as a downloadable Excel spreadsheet.
