

NEW!

African-American History Online

Now better than ever!

“...highly recommended...”—BOOKLIST

“... easy to navigate and authoritative. **Highly recommended.**”—CHOICE

“Even obscure topics ignored by other resources are covered here...**an excellent resource**...and is **highly recommended**...”—LIBRARY JOURNAL

Examines More Than Five Centuries of the African-American Experience

African-American History Online offers a fresh way to explore the full spectrum of African-American history and culture. Users can start their investigation of a topic with a video or slideshow overview, use the key content called out on the home page to find an entryway into the database, or dig deep into an era through the Topic Centers. Read about key figures and events, examine speeches and other primary sources, and get context from the in-depth timelines. This robust resource offers a virtual library of African-American history for all educators, students, and researchers.

- **Authoritative Source List:** A complete inventory, by type, of the expertly researched and written content from a wealth of proprietary print titles
- **Easy Access to Content:** Featured content is handpicked by our editors to inform research and provide guided entryways into the database, plus convenient links to key areas are at the top of every page

African-American History Online

HIGHLIGHTS AND FEATURES

The screenshot displays the website's navigation and content areas. At the top, there are tabs for 'Suggested Reading', 'Videos and Slideshows', and '1972-Present'. Below this, a featured article titled 'Expansion of Opportunities: 1972-Present' is visible. To the left, a sidebar contains 'Infobase', 'African-American History Online', and 'Topic Centers' categorized by era. The main content area features 'Suggested Reading' with articles like 'Rosa Parks and the Beginning of the Montgomery Bus Boycott' and 'Walking to Victory: The End of the Montgomery Bus Boycott'. There are also sections for 'Videos and Slideshows', 'Primary Source Documents', and 'Maps and Charts'. On the right, a 'Sources' section lists 7,031 articles from various books, with a table showing columns for Title, ISBN, and Published date.

Focused Topic Centers: Specially selected content on each era in African-American history—including articles, videos, primary sources, shareable slideshows, and more—provides a starting point for research

Comprehensive Coverage: Delve deep into your topic or examine different perspectives through event and topic entries, primary sources, images, videos, general and topic-specific timelines, biographies, original maps and charts, and more

Slideshow Overviews:

Enhance any topic discussion with the new, original, interactive whiteboard-friendly slideshows offering a fascinating visual introduction to key topics and themes

The screenshot shows a slideshow interface with three slides. The first slide is titled 'Early Abolitionist Movement' and features an image of a group of people. The second slide is titled 'Cultural Leaders and Popular Figures' and features a portrait of Jackie Robinson. The third slide is titled 'African Americans in the Civil War' and features an image of soldiers. Each slide includes a brief text description of the topic.
