Films On Demand

Outstanding, Curricular Video for Every Department on Campus

For Librarians: A comprehensive subscription providing unlimited access to thousands of videos.

- Videos can be easily added to LibGuides, distance education courses, social media platforms, and LMSs
- Public performance rights and no copyright infringement worries
- Add your institution's custom video content to the *Films On Demand* platform
- A robust administrative portal with enhanced reporting features

For Faculty: Stimulate and reinforce in-class lectures or introduce a new topic.

- Encourage discussion on key issues and topics
- Embed video clips into course management systems
- Create and share playlists
- Save favorite videos to a personal folder
- Add a personalized video introduction to any playlist you create

For Students: Find inspiration and material for research papers and presentations.

- Captioning and interactive, searchable transcripts
- Keyword tags for all content, linking to related material
- Follow up on a clip used by a professor in class and watch the rest of the video
- Citations for all videos in MLA, CMS, Harvard, and APA formats
- Share, save, and organize videos and playlists

Career-Focused Video Collections

Allied Health 385+ Titles

This collection will help prepare future allied health professionals for practice across a diverse range of health care settings, whether they are learning how to draw blood, administer

medications, or help deliver a baby. The videos include titles from trusted producers such as Elsevier, NEVCO, Center for Phlebotomy Education, Classroom Productions, and others.

Veterinary 245+ Titles

This collection is designed to help veterinary and veterinary tech students gain a strong foundation in animal anatomy, physiology, and behavior while learning basic veterinary procedures and an understanding of the workplace.

COMING SOON! Developer, IT, and Cyber Security Training Collection

Nursing 890+ Titles

This important collection is designed not only to help nursing students excel in their studies and pass licensure exams, but also to prepare them for long-term job success in an

increasingly complex health care system. It features titles from trusted producers such as Medcom-Trainex, Elsevier, Cengage Learning/Concept Media, NEVCO, Wolters Kluwer Health, Institute for Professional Care Education/Medifacta, and others.

Physical Therapy 255+ Titles

This collection will help physical therapy students learn and practice crucial techniques in ways textbooks alone cannot. These instructional videos from such trusted producers as Wolters

Kluwer Health, Castalia Media, Healthy Learning, and PESI, Inc., cover a wide range of physical therapy interventions and examinations—from stretching techniques to wrapping a shin splint—and much more.

Exclusive Film Collections

Feature Films for Education

650+ full-length feature films for classroom use

This high-interest collection focuses on both current and hard-to-find titles for educational instructional purposes, including dramas, literary adaptations, blockbusters, classics, science

fiction, foreign films, social issues, animation studies, Academy Award® winners, and more. A great complement to any U.S. *Films On Demand* subscription as a stand-alone collection. Available only in the United States.

World Cinema 745+ classic and

groundbreaking films from around the globe

This unique collection includes the best of the silent era, groundbreaking international directors, American and European masterpieces from the mid-20th century, and

award-winning contemporary films. The collection shines a light on the history of cinema while also providing a glimpse into the cultures and issues of countries around the world. All foreign language films are accompanied by English subtitles.
