STATEMENT OF CONCERN

I am very interested in serving as a member of the AMIGOS Board of Directors. I have a long standing love of libraries that started when I was a child. To this day, one of my favorite pastimes is visiting my local library, usually on a weekly basis.

One of my proudest accomplishments was serving as a community volunteer and early member of the Western Area Friends to Establish a Library (W.A.F.E.L.), which went on to established the Western Allegheny Community Library (WACL) in 1990. WACL was founded as a collaborative project between three rural municipalities outside of Pittsburgh, PA. I represented one of the three municipalities – Findlay Township –and served as the first vice president of the library board.

More recently I worked as development director for Saint Louis University Libraries, where I became more integrally involved with the day-to-day library operations, as well as local and national library networks and organizations, including AMIGOS.

I would be honored to serve on the AMIGOS Board of Directors.
