PUBLICATIONS

None

STATEMENT OF CONCERN

Having served on the Amigos Board on two other occasions over the past 20 years, there have been many dynamic changes to the service Amigos delivers and the service delivery methods of member libraries. Once again Amigos is embarking on another major change in its history with the potential merger of Amigos and MLNC (Missouri Library Network Corporation). I look forward to the opportunity to continue the journey on enhancing Amigos for the membership and more importantly the membership’s future.
