STATEMENT OF CONCERN

It's been an honor to be on the Board over the last three years. I am very proud of the adjustments AMIGOS has made to remain relevant in light of the OCLC changes. The organization continues to fight and to provide needed services for member libraries wherever possible. The next few years are critical for the future of all of us. I am honored to be asked to continue on the Board in these difficult times. I pledge to continue to work for the benefit of all our libraries.
